- Ask your training team how to pack your dress whites in your sea bag correctly. Everything listed can fit in your Seabag if folded correctly. You will carry your sea bag to the barracks, pack wisely.
- The items marked with * are “community” items and will not be returned.
- **If it’s not listed in the table above – you don’t need it, so don’t bring it.**

A NOTE ABOUT LAUNDRY

- There are limited laundry facilities in the barracks, and cadets will **not** be given the opportunity to do laundry individually whenever they wish. Cadet laundry items are washed together assembly-line fashion on a schedule to maximize efficiency. For this reason, it is important that all cadet items be labeled and that they bring sufficient quantities of important items like socks and underwear, which sometimes need to be changed more frequently than once per day. Socks and undergarments will be washed together in each cadets’ own pre-labeled large or small mesh laundry bag.
